Job Start: September 2026 or as soon as possible after this date

Contract type: 0.6, Fixed Term 1 year

Randolph Beresford Nursery is a maintained nursery school situated in the heart of White City for children aged between 1 and 5 years. Our amazing learning environment includes free flow classrooms, a large and mostly natural outside area and our on-site 'little forest school' where children can explore nature, ideas, thoughts and risks in a natural environment unlike the surrounding built up areas.

The children and staff care about each other and their environment. At Randolph Beresford we believe that all children from the local community have a right to attend a local nursery, to make and maintain relationships with and be seen as a valuable, equal member of that community. We celebrate that all children are unique and have something to offer to our nursery community. We understand that all children have individual needs. With this in mind we developed our Curriculum so that all children can access high quality learning through play and make steady progress from their individual starting points.

We hold extremely high expectations for all of our pupils and we are committed to ensuring that they are all supported and challenged to be the very best that they can be. Through a broad and creative curriculum, we provide a wealth of different opportunities for each and every child to achieve success.

We are looking for an experienced SENDCO to join our innovative school that puts early childhood education at its heart.
